

Supplemental Type Certificate

Number SA1244NW

This certificate, issued to **McHugh Aviation, Inc.**
3763 Image Drive
Anchorage, AK 99504

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product—Type Certificate Number: A-769
Make: STOL (REPUBLIC)
Model: RC-3

Description of the Type Design Change: Installation of a machined wrought 2024-T351 tail wheel collar (Republic P/N 1126) in place of a die-forged 2014-T6 original part in accordance with Simuflight, Seattle Drawing Number SP-2000.

Limitations and Conditions: Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this Certificate shall be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
