

# INTRODUCING

# *The* **TRIGULL** by TRIDENT AIRCRAFT LIMITED

Grumman Aerospace and Canadair Limited,  
with proven amphibious aircraft experience, are providing assistance to Trident  
in production start-up activities.

Our personnel have inspected and flown the "TRIGULL"  
and are impressed with its land, water, and airborne qualities.  
Grumman will be supporting Trident in marketing this aircraft.

For further information contact: Mr. John Pereira 516-575-2329.
